

17th Geilo Winter School in eScience

Impressions from this week

What was the aim of this week?

- Alpine – cross country – snowboard – telemark – randonee?
- Learning something about Machine Learning?
- Meeting other fellow researchers?
- Meeting industry?
- Meeting across senior/junior boundaries?

Winter School Program

	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	
07:30 - 09:00	X	Breakfast					
09:00 - 09:45		Robert Jenssen Michael Kampffmeyer	Filippo Bianchi	Devdatt Dubhashi	Nils Lid Hjort	Nils Lid Hjort	
09:45 - 10:30							
10:30 - 11:00		Break					Checkout by 11:00
11:00 - 11:45							
11:45 - 12:30		(Lunch 12:30 - 14:00)					
12:30 - 15:00							
15:00 - 15:45		Joaquin Vanschoren	Devdatt Dubhashi	Devdatt Dubhashi	Mark Tibbetts	X	
15:45 - 16:30							
16:30 - 17:00		Coffee					
17:00 - 17:45	Introduction	Robert Jenssen	Joaquin Vanschoren	Nils Lid Hjort	Poster session		
17:45 - 18:30	Joaquin Vanschoren						
18:30 - 19:15							
19:30	Dinner						

Registrations per year

Registrations per year

Registrations per day

Lecturers: Thank you!

Filippo M. Bianchi

Devdatt Dubhashi

Nils Lid Hjort

Robert Jenssen

Michael Kampffmeyer

Mark Tibbetts

Joaquin Vanschoren

Scientific committee: Thank you!

- Inga Berre, University of Bergen
- Xing Cai, Simula / University of Oslo
- Anne Elster, NTNU
- Margot Gerritsen, Stanford
- Helwig Hauser, UiB
- Trond Kvamsdal, NTNU / SINTEF
- Knut-Andreas Lie, SINTEF / NTNU
- Hans Ekkehardt Plesser, NMBU
- Geir Storvik, UiO
- Ståle Walderhaug, SINTEF

School would not be possible without funding!

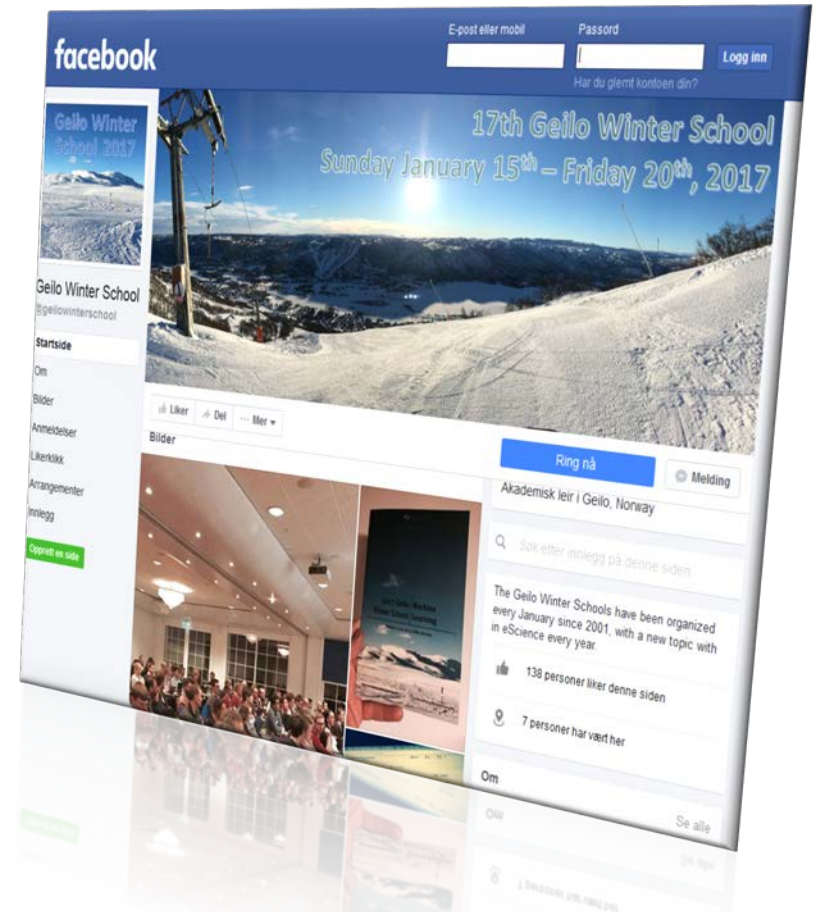

With funding from
The Research Council of Norway

- Funded by the Research Council of Norway
 - 2001-2004: *Winter schools in computational mathematics* (137461)
 - 2005-2006: *Winter schools in computational mathematics* (159868)
 - 2007-2010: *National Arena in eScience* (178774)
 - 2011-2015: *eVita Winter School* (203376)
 - 2016-2020: *Geilo Winter School in eScience* (249772)

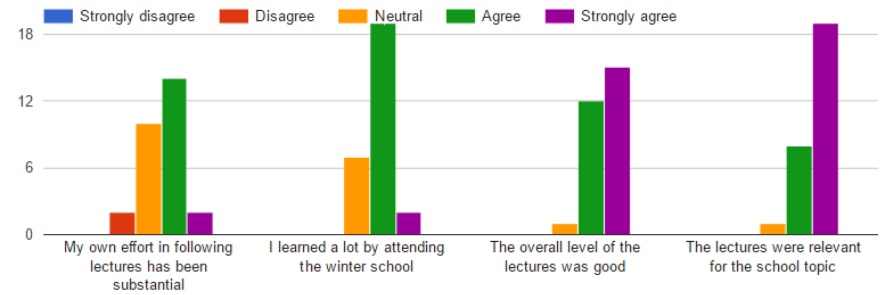

Social media: help me promote

- Please like and follow the Geilo Winter School page
- Please share your photos with the Geilo Winter School facebook page or me directly
- Use #geilowinterschool on instagram !

Survey from this years school?

- I will send out a survey to all participants.
- I use the results of this survey to
 1. Improve the school
 2. Argue for funding after 2020
- I need your input: please help me fill out the survey

Winter school topics

2001: Cluster computing

2002: Methods for CFD

2003: Nonlinear PDEs

2004: Evolutionary PDEs

2005: Inverse problems

2006: Finite Element method

2007: Monte Carlo methods

2008: Parallel Computing

2009: Optimization

2010: Automatic Differentiation

2011: Multiscale methods

2012: Continuum Mechanics

2013: Reproducible Research

2014: Big data and statistics

2015: Uncertainty Quantification

2016: Scientific Visualization

2017: Machine Learning

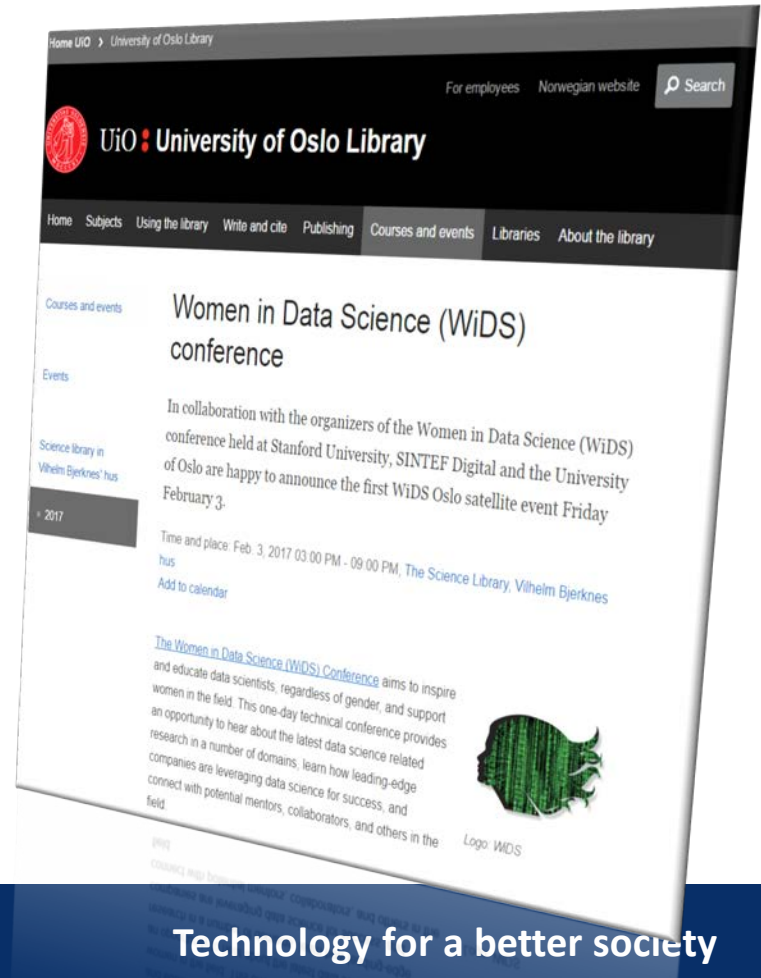

2018: ???

2019: ???

2020: ???

Advertisement

- Women in data science conference
- One day event: Feb. 3rd 3PM-9PM
- Open for all
- Look at program:
<http://www.ub.uio.no/english/courses-events/events/ureal/2017/2017-02-03-wids.html>

The screenshot shows the University of Oslo Library website. The header includes the Uio logo and the text "University of Oslo Library". Below the header is a navigation menu with items: Home, Subjects, Using the library, Write and cite, Publishing, Courses and events, Libraries, and About the library. The main content area is titled "Women in Data Science (WiDS) conference". The text below the title reads: "In collaboration with the organizers of the Women in Data Science (WiDS) conference held at Stanford University, SINTEF Digital and the University of Oslo are happy to announce the first WiDS Oslo satellite event Friday February 3." Below this text, it specifies the time and place: "Time and place: Feb. 3, 2017 03:00 PM - 09:00 PM, The Science Library, Vilhelm Bjerknes hus". There is a link to "Add to calendar". A paragraph of text describes the conference's aim: "The Women in Data Science (WiDS) Conference aims to inspire and educate data scientists, regardless of gender, and support women in the field. This one-day technical conference provides an opportunity to hear about the latest data science related research in a number of domains, learn how leading-edge companies are leveraging data science for success, and connect with potential mentors, collaborators, and others in the field." To the right of this text is a logo for WiDS, which is a green silhouette of a person's head filled with binary code. The logo is labeled "Logo WiDS".

Thank for coming

- Thank you all for coming to the winter school
- I truly hope you had a good week here!
 - Learned something new
 - Met some new contacts
 - Got inspired and had a good time
- Please help me with filling out the survey!
