

- By entering this competition, you warrant that the work is your original work : to the best of your knowledge, it is not, and has not been in production or otherwise previously published or exhibited.
- Neither the work nor its use infringes the intellectual property rights (whether a patent, utility model, functional design right, aesthetic design right, trade mark, copyright or any other intellectual property right) of any other person. Printcr3dit organization declines all liability in case of violation of third party/parties rights.
- Contestants are not entitled to any compensation or reimbursement for any costs.

I hereby authorized Printcr3dit organization, on a non-exclusive and free of charge basis, to:

- Use my voice pickup and/or one or more pictures and/or films representing myself that I would have transferred in the context of Printcr3dit contest (hereafter referred to as "Data"), by any processes, including photograph(s) and film(s).
- Record, digitize, store, fix, transfer and reproduce all or part of my Data, on any medium of his choice, in paper and/or electronic form, including optical media, CD, DVD in all versions achieved or edited by Printcr3dit organization, regardless of the number, the size and the type of media being used.  
All supports used are and remain full and entire property of Printcr3dit organization, who may freely dispose of them.
- Use all Data, as they are or integrated into pre-existing works, whatever new or derivative, into computer programs either local or network storage, in particular on websites, on the Internet, intranet, social networks and all similar networks, regardless the number of websites in which Data are used,
- Represent and disseminate Data through all known and unknown means, and particularly on the Internet network (on video-on-demand, live transmissions, social networks...), or during congress.

Taking into account the characteristics of the internet network, the free capturing of the information disseminated and the difficulty, and even the impossibility, of controlling the use that could be made by third parties of the information, Printcr3dit organization may not be held liable in any way in case of extraction then use of all or parts of Data by third parties.

In case of modification of the Data resulting of characteristics and/or technological capabilities of the means used by Printcr3dit organization or due to data processing of a temporary nature whether or not resulting of Printcr3dit organization, Printcr3dit organization may not be held responsible for any damages to the Data integrity.

I understand the Data shall be used, in versions possibly dubbed and subtitled, by Printcr3dit organization, in valorization and communication events or actions, in particular scientific and technical events and/or actions, and/or for educational purposes.

You benefit from the right to access and require rectification, and to make any legitimate opposition concerning your personal data. You can exercise this right by e-mail to the following address: [printcr3dit@gmail.com](mailto:printcr3dit@gmail.com)

Data collected are optional, I hereby acknowledge and confirm that Printcr3dit organization is authorized to use my Data, excluding the existence of any specific obligation that would bound me.

Any subscription to the Printcr3dit contest will constitute acceptance of the present terms and conditions.
